WELCOME MESSAGE

Welcome to **PT Pancaran Samudera Nusantara!**

Step into the realm of top-notch services in the commercial diving industry! We take pride in introducing PT Pancaran Samudera Nusantara, a company specializing in underwater work services such as UWILD, Hull cleaning, Offshore work, Underwater inspection, underwater welding, anode installation, and more.

With a strong dedication to excellence, our professional team is ready to provide the best solutions for your commercial diving needs. Armed with extensive experience and cutting-edge technology, we are committed to delivering high-quality services in maintaining, cleaning, and performing precision work underwater.

We understand the crucial role of underwater work in preserving the quality and performance of underwater installations. Therefore, we are here to be your trusted partner, offering innovative, safe, and efficient solutions. PT Pancaran Samudera Nusantara is not just a service provider but also a strategic partner ready to support the success of your projects.

Thank you for choosing us as your partner in meeting your commercial diving needs. We are committed to providing services that exceed your expectations. Welcome aboard, and let's achieve success together!

Best regards,

PT Pancaran Samudera Nusantara

ABOUT PT. PANCARAN SAMUDERA NUSANTARA

At PT Pancaran Samudera Nusantara, we are at the forefront of excellence in the commercial diving industry. Established with a commitment to deliver unparalleled underwater work services, we specialize in a wide range of activities, including UWILD, Hull cleaning, Offshore work, Underwater inspection, underwater welding, anode installation, and more.

Our Mission :

Our mission is to provide cutting-edge solutions for underwater projects, ensuring the integrity and efficiency of submerged structures. We aim to be a reliable partner, offering innovative, safe, and efficient services that meet and exceed the expectations of our clients.

OUR SERVICES

UWILD (Underwater Inspection in Lieu of Drydocking) :

Our comprehensive UWILD services ensure the regulatory compliance and seaworthiness of vessels.

Hull Cleaning :

We specialize in efficient and environmentally friendly hull cleaning services to enhance vessel performance and fuel efficiency.

Offshore Work :

Our expertise extends to offshore projects, providing solutions for various underwater challenges in the offshore industry.

Underwater Inspection :

We conduct thorough underwater inspections using state-of-the-art equipment to assess the condition of submerged structures.

Underwater Welding :

Our skilled underwater welding team performs precise and reliable welding operations beneath the water's surface.

Anode Installation :

We assist in the installation of sacrificial anodes to protect submerged structures from corrosion.
